PANKAJ BORAH

FRONTEND / FULL-STACK DEVELOPER

Jorhat, Assam, India | +91 6002377497 | pkb27720@gmail.com

Portfolio | GitHub | LinkedIn

PROFESSIONAL SUMMARY

Electrical Engineering undergraduate at Jorhat Engineering College (2023–2027) and web developer who builds responsive web applications across frontend interfaces, backend functionality, and API integration. Built projects include a full-stack web application, an ML-enabled app, and a clothing-exchange platform.

TECHNICAL SKILLS

Frontend Development	HTML, CSS, JavaScript, TypeScript, React, Next.js, Angular, jQuery, DOM manipulation, UI design
Backend & APIs	Node.js, REST APIs, API integration, asynchronous JavaScript, application logic
Databases	SQL, PostgreSQL, MongoDB, database fundamentals
Tools & Deployment	Git, GitHub, Vercel, Render
Electrical & Industrial	PLC programming, Ladder Logic, Power Systems, Electrical Engineering fundamentals

SELECTED PROJECTS

CONVIA — Full-Stack Web Application | **Live demo**
Built the frontend and most of the backend, including application/API integrations, and implemented key user-facing workflows.

RESOMESH — ML-Enabled Web Application | **Live demo**
Built the web frontend and integrated it with a machine-learning backend, connecting the user interface with the ML workflow.

Homies Wear — Clothing Exchange Platform | **Live demo**
Built a clothing-exchange platform with a web interface focused on the core user experience.

Personal Portfolio | **Portfolio**
Designed and developed a portfolio website showcasing projects, skills, and professional experience.

EXPERIENCE

Unified Mentor — Web Development Intern | **5 Sep 2026 – Present**

- Developed web application interfaces with React.js, Next.js, and related web technologies.
- Worked across frontend implementation and API/application integration workflows.

EDUCATION

B.Tech in Electrical Engineering — Jorhat Engineering College (JEC) | September 2023 – Present

Higher Secondary – Science — NKEM | August 2020 – March 2022

Secondary Education – Class X — Island Academy | January 2018 – March 2020

ADDITIONAL EXPERIENCE & LEADERSHIP

TRTC, Amin Gaon — PLC internship | **AEGCL, Mariani** — Industrial internship

Managing Advisor, Glug — Coding Club, Jorhat Engineering College
